Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations
Results of Operations
Research and Development Expenses, page 103

1. You disclose, on page 101, that you track direct costs by stage of program, clinical or preclinical. Please address the following:

Revise your disclosure in future filings to break out clinical costs by program or by indication separately for each period presented.

If you do not track clinical costs on a more granular level, revise your disclosure to explain the reason. For preclinical costs, revise your disclosure to break out the total amount spent for each period presented.

Provide us with your proposed disclosure.

In closing, we remind you that the company and its management are responsible for the
